Architectural Millwork
Since 1994

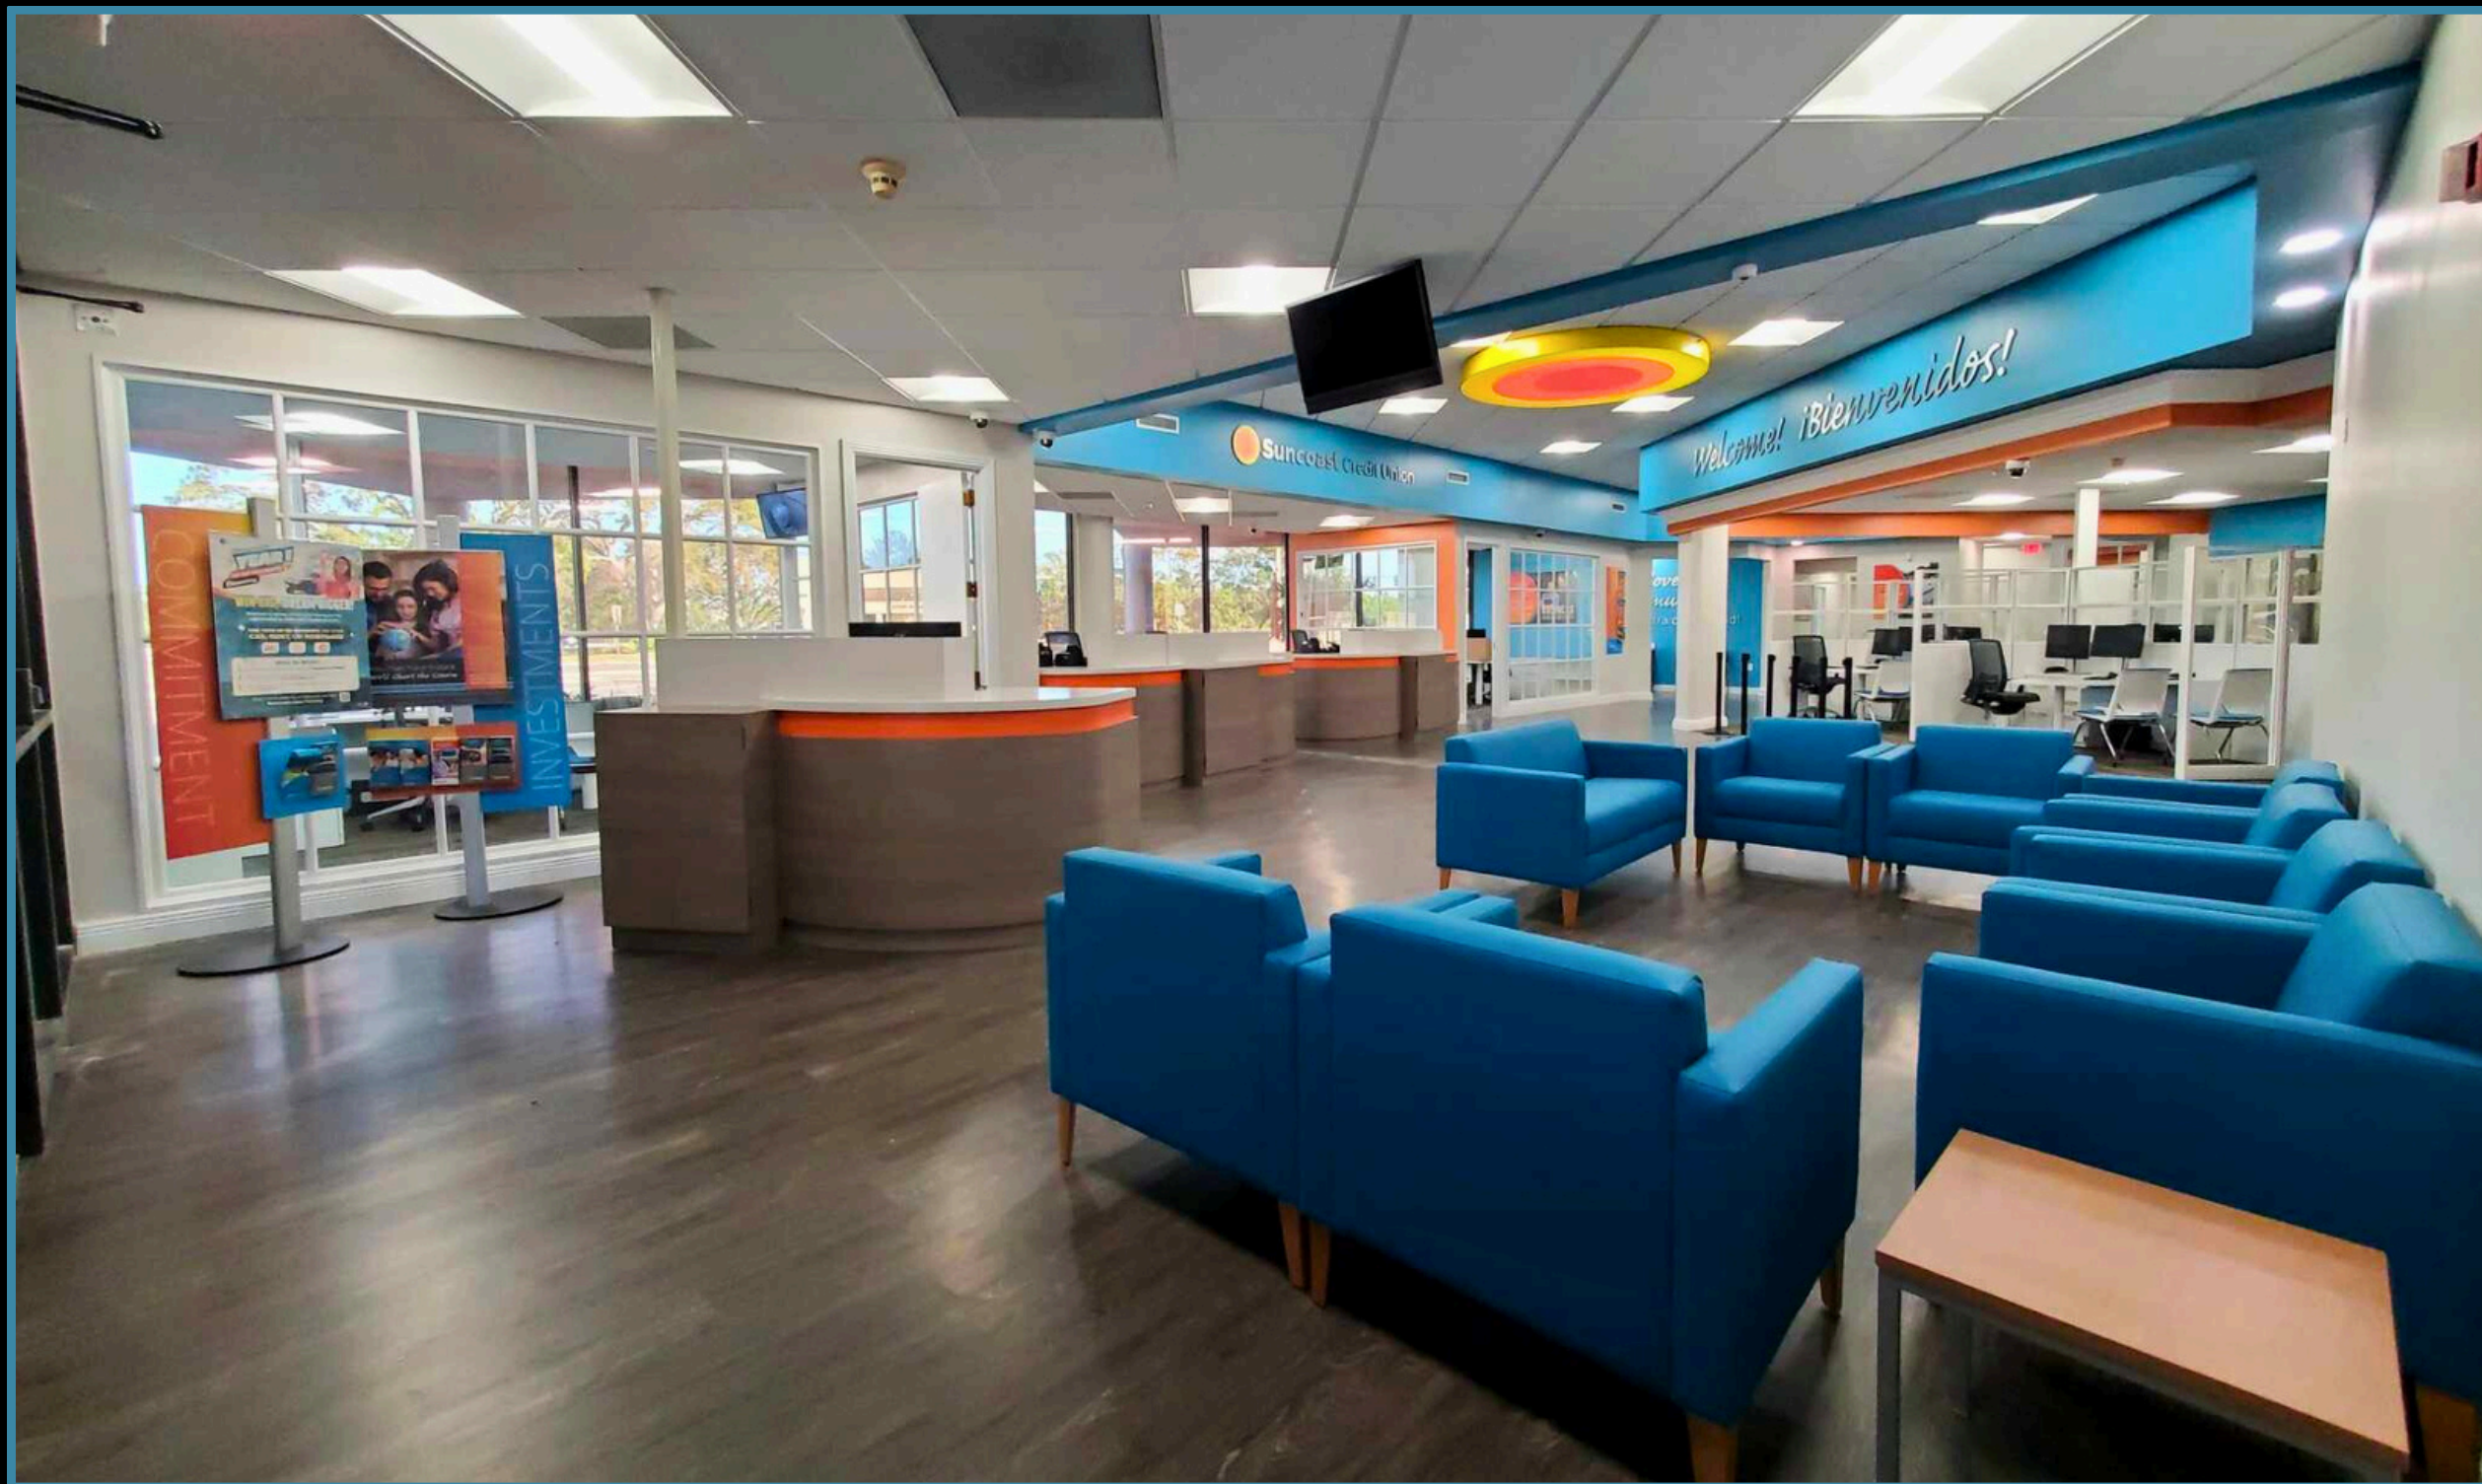

Clearwater Branch
1875 N. Belcher Rd.
Completed March 2025
Precision-built fixtures
throughout with warm
wood finishes and custom
inlays that reflect SCU's
signature color palette.
Designed for a smooth,
member-first experience.

OUR LEGACY. YOUR ADVANTAGE

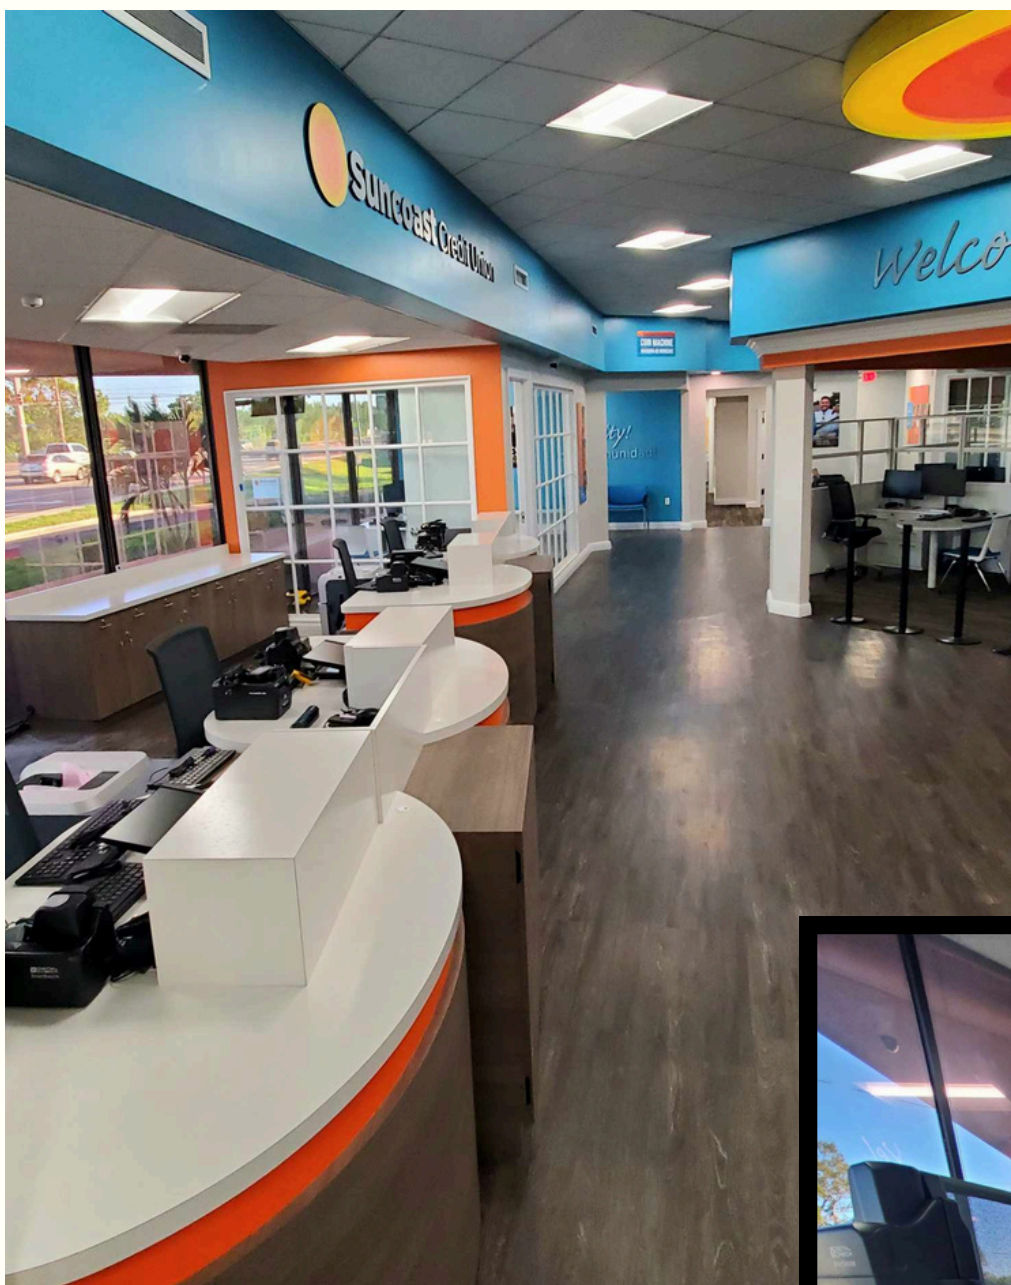

Atlantic Custom Woodcraft is built on four generations of woodworking excellence. Since 1994, we've partnered with financial institutions across Florida to craft millwork that reflects quality, tradition, and innovation. Our team of expert craftsmen and installers brings experience, consistency, and care to every project—no matter the size or scope.

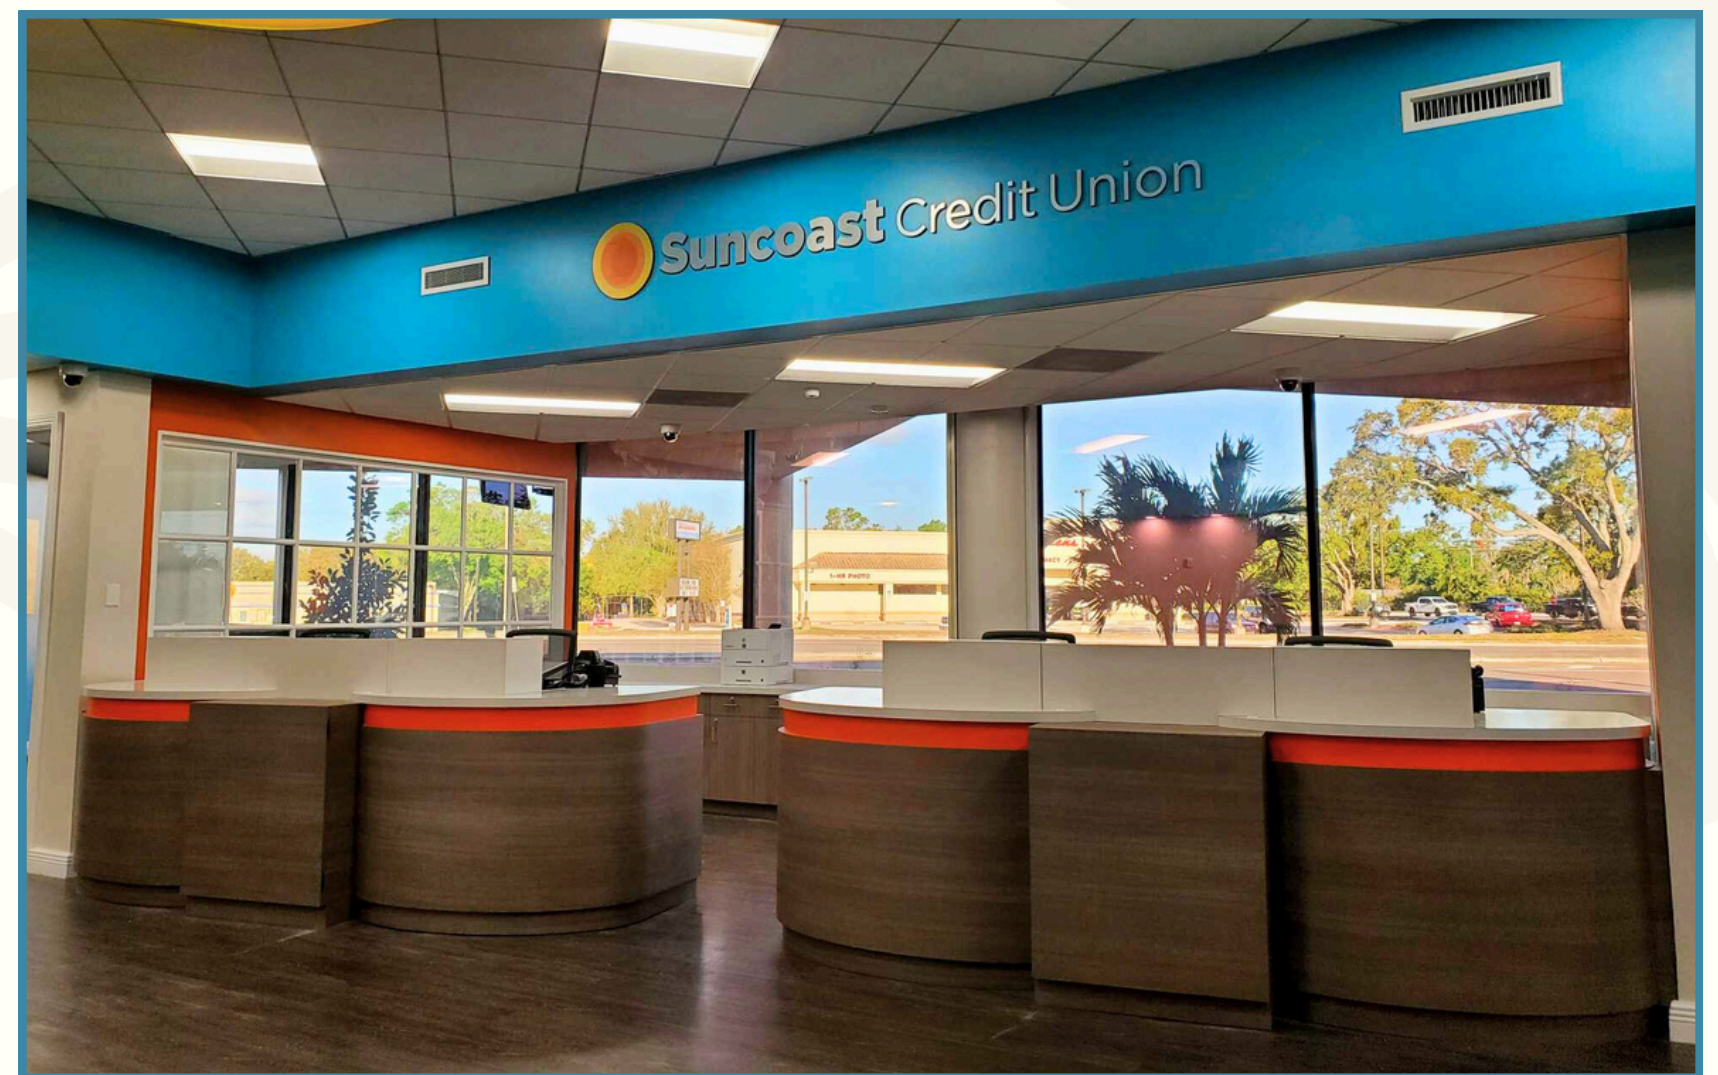

Direct Partnership. Greater Value.

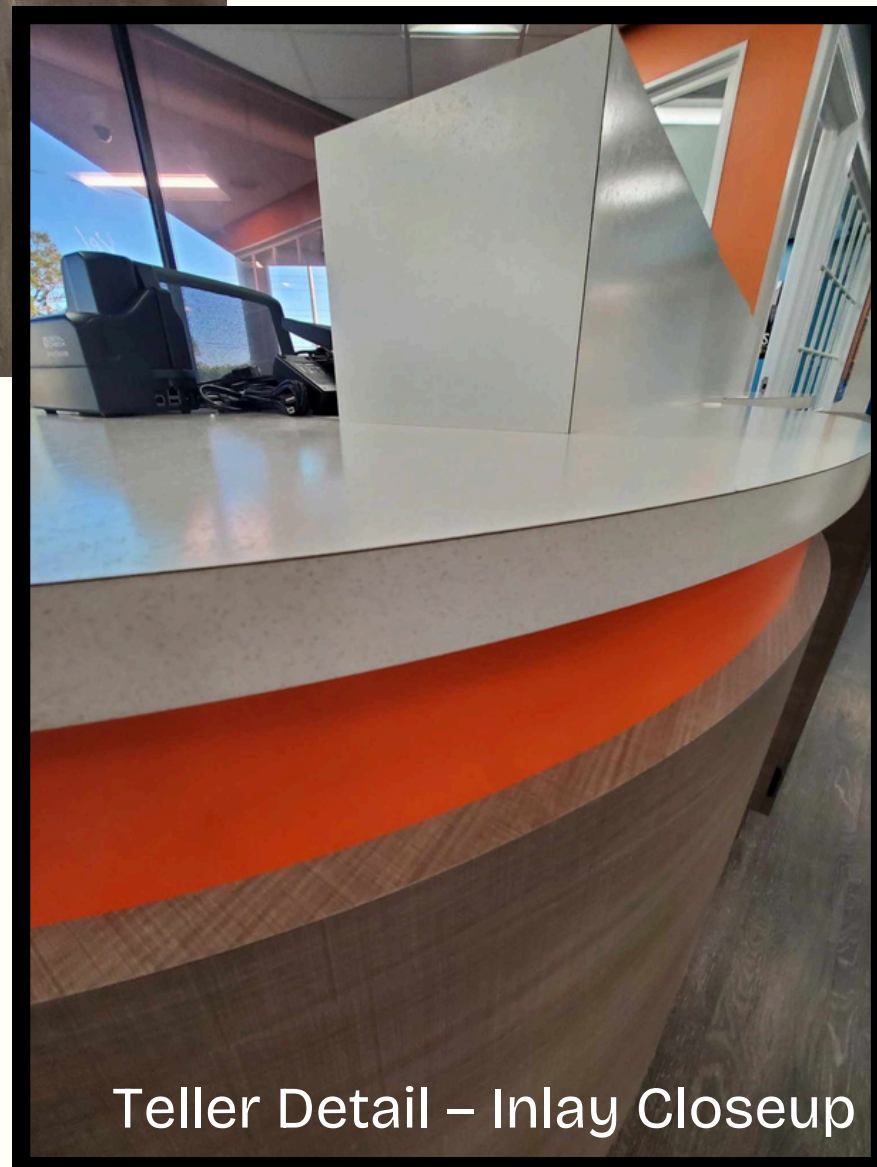

- ✓ One point of contact—from concept to completion
- ✓ Clearer communication and faster timelines
- ✓ Custom millwork designed around your operation
- ✓ White-glove service and on-site professionalism
